

# Akinyemi Emmanuel

(Software Engineer)

## PROFESSIONAL SUMMARY

Creative detailed oriented software engineer with a deep interest in AI and a proven track record of creating and implementing successful frontend and backend applications, looking to bring my skill to a tech company with global reach.

## EXPERIENCE

**software engineer**, port harcourt, Nigeria.

Soniclabs January 2019 - 2021,

I served as a software engineer at SonicLabs, contributing to diverse projects and enhancing my technical skills.

Pagefly , Remote Hanoi, Vietnam.

**Frontline operator**, May 2023 - till date

I help customers who need help utilizing our editor to create their own unique Shopify pages or who have questions or technical issues.. Using Html css and javascripts.

**IT Support Specialist**, Jos, Nigeria.

Kelandy Women's and Youth Empowerment NGO - Jan 13:2016-2018 .

I oversaw grant acquisition from overseas investors, managed communications, handled data input, website maintenance, and provided IT support. I also maintained direct contact with potential members.
